Young Vinnies VINSIDER

TERM 1 2026

Welcome to the 2026 school year and our Term 1 edition of The VInsider! We are thrilled to be starting out a new year together.

We have an exciting year planned, full of engaging activities, educational resources, and opportunities to support the Good Works of the St Vincent de Paul Society.

As your Youth Engagement Coordinator, I am excited to work with you to meet the unique needs and interests of your school. While these emails will offer a range of resources, please don't hesitate to reach out if you're looking for something more- I am a call or email away, ready to support.

To start off the year, we are offering resources to connect your students with the idea of social justice. What does it mean, who benefits from community support, and how they can engage and participate in social justice as young members of the community.

If you are interested starting a Young Vinnies program at your school, booking in a time for a speaking event, or organising a Sleepout, this a great time to begin! Additional information about all of these opportunities and more can be found throughout this email.

Thank you for being a vital part of The VInsider community. Together we are making an impact on the issues of poverty and homelessness.

As always, thank you for your ongoing support of Vinnies WA.

2026 Planning

Get ready for a full and exciting year of making a positive impact with St Vincent de Paul Society of WA. We've crafted a plan for your engagement this year, ensuring each term is brimming with opportunities to contribute to our shared mission. Each school is unique, so always feel free to adjust as needed.

Term 1

- Establish a Young Vinnies group within your school or year group to give students the chance to engage with Vinnies throughout the year. Don't forget to order your Vinnies badges!
- Schedule a Vinnies speaker to enhance students' understanding and connection to Vinnies WA. **https://www.vinnies.org.au/wa/get-involved/youth-and-schools-wa**

Term 2

- Participate in the 2026 Winter Appeal, collecting non-perishable food, blankets, or funds to support vulnerable community members through the cold winter months.
- Consider a group volunteering session for students or staff at their local Vinnies Warehouse in Canning Vale or Bunbury.
- Continue your work with Young Vinnies, meeting regularly and offering ongoing learning and engagement opportunities.
- Engage your students in celebrating the history, culture and achievements of First Nations people in advance of NAIDOC Week 2026.

Term 3

- Share knowledge and engage with the issue of homelessness during Homelessness Week- the first week in August.
- Maintain the momentum of your Young Vinnies group initiatives- consider running an educational poster campaign for the wider school or another student led initiative.
- Build empathy through experiential learning by participating in the School Sleepout program. **https://www.vinnies.org.au/wa/get-involved/fundraise-for-vinnies-wa**

Term 4

- Start Term 4 by learning about those doing it tough during Anti-Poverty Week 2026.
- Wrap up the year on a heart-warming note by engaging in the Christmas Appeal to support your local Conference.
- Encourage students to write Christmas cards, spreading joy to those who may need it most.
- Ask students to volunteer their time after school to sort food donated for Christmas hampers, ensuring it is all in date and connecting them to the impact of their involvement.

If you have any questions, need guidance, or want to explore more ways to get involved, don't hesitate to reach out to **youth@svdpwa.org.au**. Together, let's make this school year one filled with compassion, connection, and positive change.

Meet St John Bosco College

St John Bosco College supports Vinnies Armadale Conference to deliver vital support to families in Piara Waters and surrounding areas through Winter and Christmas Appeals. These initiatives provide essentials like warm clothing and festive hampers- easing hardship and ensuring dignity during challenging times. Beyond meeting immediate needs, the College's involvement nurtures empathy and social awareness among students, reinforcing the value of community solidarity.

Since launching its Valdocco Service Learning Program in 2025, the College has embraced service as a cornerstone of education. Looking ahead to 2026, St John Bosco is excited to deepen this mission through the Vinnies School Sleepout, inviting students to stand in solidarity with those experiencing homelessness. This initiative will strengthen understanding of social justice while raising awareness and support, continuing the College's commitment to faith in action.

Schools like yours support Conferences to do their work through your financial donations, food drives, and item collections. If you would like to learn more about your local Conference, reach out to youth@svdpwa.org.au.

Conference Connection

There are 75 St Vincent de Paul Society Conferences in Western Australia. These Conferences are made up of volunteers, or Members, who live or work in a specific area.

Each Conference works to support their communities through Emergency Relief and other programs that meet the needs of their neighbours.

Each term we will feature a local Conference to share a little about who they are and what they do in their communities.

Meet the Joondalup Support Centre

Joondalup Support Centre opened in May 2021 to meet growing needs in Perth's northern suburbs, extending over 30km north of Joondalup to Two Rocks. Operating three days a week with around 45 volunteers, the Centre provides emergency relief and confidential support for companions facing hardship. Services include food, petrol, and clothing assistance, help with utility bills, rent, and medical costs, plus a well-stocked pantry, prepared meals from community support, and fresh food deliveries from OzHarvest.

Assisting an average of 35 households weekly, Joondalup Support Centre is a vital lifeline for people experiencing homelessness, family violence, and financial stress. The Centre supports complex needs through free financial counselling, advocacy, and referrals to specialist services. The team works closely with agencies like Red Cross and Salvation Army to secure safe accommodation and holistic support. By addressing both immediate and long-term needs, the Centre helps improve wellbeing and life outcomes for those most in need.
