What is it about?

Over 122,000 people experience homelessness in Australia.

A Sleepout allows communities to connect on a personal level with the issue of homelessness by sleeping out for one night. And can raise awareness and funds that support those experiencing or at risk of homelessness.

Get Involved

Homelessness is a growing problem with more and more people turning to Vinnies for help. The Vinnies School Sleepout encourages students to talk to family and friends about homelessness and how we can each make a difference.

As a school community, you can do more than provide a 'hand out' this winter by getting involved in the School Sleepout and raising awareness in the community about the issues and effects of homelessness.

By taking part in this initiative, you are taking action against the homelessness crisis Australia is facing.

What this will do for your School

- Encourage students to connect with an evident and increasing need in your local community.
- Challenge your school community to make a difference to those living rough within your local area.
- Raise awareness about the many faces of homelessness in the hopes of breaking stereotypes.
- Allow your school community to be a voice for those in need in your community.
- Advocate and raise funds to show your school that you can make a difference this winter.

Our work relies on donations from loyal supporters like your school to ensure we can continue providing our important services and rebuilding lives.
Your Vinnies Sleepout will play a substantial role in contributing to these donations.
