Young Vinnies VINSIDER

TERM 3 2026

As we approach the end of Term Two and look forward to the second half of the year, I want to share my thanks for your involvement.

I have had the privilege to visit many of the schools who support us and see first-hand the impact you have on your students and communities. Your ongoing engagement with Vinnies WA not only helps the people who have come to us for support, but plants seeds of empathy and social justice that will make a difference for years to come. Thank you for helping us live out our mission of working to shape a more just and compassionate society.

We are very excited to offer additional resources and activities to continue your work in Term Three!

This term we are focussing on the topic of homelessness in Western Australia. As we enter into WA's coldest months, we see the risks around being unhoused, and the need for support, increase. The included Homelessness Fact Sheet and linked activities offer a chance for Primary School students to better understand fact vs fiction around homelessness and build empathy around the issue.

Term Three is also a great opportunity to think about organising a School Sleepout. This program has students stepping out of their everyday school routine and getting a glimpse into the life of someone experiencing homelessness. This flexible program can be run as an evening event or a full overnight. Resources, activities, and support are all available through the Youth Engagement Team, and more details can be found below!

Finally, we have a call out to our creative staff and students this winter- a Knitted Scarf Drive! I am personally commiting to creating at least two scarves to donate, and would love for any crafty members of our school community to join me. More information can be found below.

Wishing you all the best for a fantastic break and a great start to Term Three.

Hannah Taylor
Youth Engagement Coordinator

Calling All Novice Knitters!

Can you crochet or knit? Do you have a crafty student body who would like to use their skills to support those in need? Join us in creating warm scarves to top up our Emergency Relief supplies this winter.

Colour, style, and pattern are all up to you. The only thing we ask is that your scarves are no smaller than 150cm long and 25cm wide - for an adult.

Hannah Taylor, Youth Engagement Coordinator, will be dusting off her crochet hook and is committing to making at least two scarves. Wish her luck!

If your staff or students plan to get involved please let us know so we can cheer you on!

Vinnies Winter Appeal 2026

This winter we are focusing on the topic “Homelessness can be just one sudden crisis away”, with a spotlight on David, who recieved support after suddenly becoming facing homelessness.

Information about homelessness, activities, case studies, and ways to support can be found in our 2026 School Winter Appeal kit.

Our most vulnerable community members are at increased risk as the weather cools. This winter, Vinnies WA is asking for food donations to refresh your local Conference’s pantry, blankets to keep our community warm, and funds to support families.

If you would like more information about the Winter Appeal or to learn about the specific needs of your Conference, please reach out to **youth@svdpwa.org.au**.

Meet Lumen Christi College

Lumen Christi College has proudly supported Vinnies WA for many years through a range of meaningful initiatives, including curriculum-based activities, fundraising events such as the HBF Run for a Reason, and donation drives for essential items like hygiene products, blankets, and food. Our ongoing commitment to service is reflected in the active involvement of our Young Vinnies group, whose efforts continue to make a positive impact in the wider community.

Within the classroom, Vinnies' programs play an important role in student learning. Year 9 HaSS classes engage in activities such as "How Far Does $40 Go?" and "In Their Shoes" as part of their study of food security. These experiences are complemented by a mini food drive, helping students connect theory with real-world action. The concept of almsgiving is also introduced and explored through our Religious Education program, encouraging students to reflect on compassion and social responsibility.

Over the past three years, Lumen's partnership with the Kelmscott Vinnies Conference has grown stronger, particularly through support for the local Community Kitchen. On average, 35 dedicated students volunteer their time fortnightly after school to prepare meals. These have included hearty options such as spaghetti bolognese, bacon carbonara, chicken curry, and freshly made rolls. More recently, the focus has expanded to providing desserts and snacks for those in need, including apple sponge puddings, bread and butter puddings, brownies, muffins, and savoury scrolls.

Fundraising remains an important part of our contribution, with events such as Mother's Day and Father's Day raffles, along with chocolate and lolly sales on Lumen Day, helping to raise funds for Vinnies initiatives.

Our Mission and Service Captains play a vital role in promoting these activities and encouraging student participation. One of the highlights of the year is the whole-school clothing drive held in the lead-up to Lumen Day. Students enthusiastically contribute clothing items as part of an inter-house competition, culminating in a lively afternoon talent show. A standout moment is the "Dress to Impress" challenge, where House Captains showcase creative outfits to raise awareness of the drive. This event continues to foster a strong sense of community spirit and engagement across the College.

Through these varied initiatives, Lumen Christi College remains committed to living out its mission of service, compassion, and community connection.

Thank you for your amazing work and support, Lumen Christi!

Meet the Gosnells Conference

The Gosnells Conference is made up of 18 members, with 8 actively involved in administration,accounting, and home visitations, supporting the community in practical and compassionate ways. They provide Emergency Relief support, like food, fuel and Vinnies' shop vouchers, help with electricity bills and furniture, and offer companionship to those doing it tough.

They are especially proud of their home visitation work, which takes time, empathy and a genuine commitment to supporting others.

The Gosnells Conference partners closely with St Munchin's School through initiatives like the Winter and Christmas Appeals, building a strong and ongoing connection with the school community and their Mini Vinnies in particular.

They are always open to welcoming new members and really value the opportunity to inspire empathy and encourage others to give back.

Schools like yours support Conferences to do their work through your financial donations, food drives, and item collections. If you would like to learn more about your local Conference, reach out to **youth@svdpwa.org.au.**
