Safeguarding children, young people, and vulnerable adults so that they thrive in their families and communities, is a fundamental aspect of our work in providing a hand up to those facing adversity. The Society strives to work with the wider community to prevent all forms of abuse against children, young people, and vulnerable adults so that they thrive in their families and communities to ensure that their inherent dignity, care, and well-being is upheld.

The St Vincent de Paul Society NSW acknowledges the Traditional Custodians of the land on which we operate, with deep respect. The Vinnies Support Centres NSW are an inclusive and safe space, for all members of the community.
