

WHY BECOME A SECONDARY SCHOOL CONFERENCE?

WHAT IS A SECONDARY SCHOOL CONFERENCE?

Inspired by Frederic Ozanam, a Secondary School St Vincent de Paul Conference comprises dedicated students aiming to impact their community positively by tackling issues of injustice and poverty.

WHAT MAKES A SECONDARY SCHOOL CONFERENCE DIFFERENT TO A VINNIES GROUP OR CLUB?

Students become part of a state-wide Secondary School Conference Community with other like-minded members across Qld.

Students become part of a social justice tradition dating back to the 1800's.

Invitations to Conference only events such as camps and celebrations.

Access to a state-wide Conference library of resources and knowledge.

Pathways to membership across all arms of the Society in all regions of Queensland.

WHAT CAN SCHOOL CONFERENCES DO?

Host advocacy events, host fundraising events, host educational campaigns, create service partnerships, participate in national events and design your own 'good works'.

HOW MUCH IS INVOLVED?

The great news is a School Conference is not that much different than the Vinnies Groups or social justice groups that already run. A simple two page form is all that is needed to kick start the process to belonging to a formal social justice community.

WHERE TO FROM HERE?

Contact your local Vinnies Youth team member on the details below and we can get you on your way to Secondary School Conference formation.
