ABOUT VINNIES

For 150 years the St Vincent de Paul Society of WA has assisted many families and individuals experiencing disadvantage and poverty.

Vinnies provides emergency relief assistance, homelessness support and accommodation, mental health services, youth, refugee and migrant programs along with social justice advocacy and our retail and distribution centre operations.

At the core of our good work is a commitment to shaping a more just and compassionate community.

THE FACE OF DISADVANTAGE

- Families are struggling to cope with increased costs of living such as utility bills and groceries
- Housing costs are arguably the single biggest driver of disadvantage
- Social housing in WA is not coping growing demand and eligible applicants face lengthy waiting periods of over 3 years.
- 9,595 people are homeless in WA and of them:
 - 15.6% are children under the age of 12
 - 42.7% are under the age of 35
 - 10% are sleeping rough on the streets
 - 10% find a bed in the homeless service system
 - 43% are living in severely crowded dwellings
 - 23% are staying temporarily with family and friends
 - 15% are living in boarding houses and other temporary accommodation

THE DIFFERENCE YOU CAN MAKE

- A donation of just \$5 buys a meal for someone experiencing homelessness
- A donation of \$25 buys school shoes for a child experiencing disadvantage
- A donation of \$50 can purchase bedding and clothing for someone sleeping rough
- A donation of \$100 can provide a struggling family with essential groceries
- Donating \$1,000 will prevent a family being evicted from their home

EVERYONE HAS A ROLE TO PLAY IN REBUILDING THE LIVES OF THOUSANDS OF AUSTRALIANS.

MAKE THE MOST OF YOUR VINNIES WORK TO GIVE PROGRAM

Joining the Vinnies Work To Give program builds corporate unity by taking your employees on a journey for a common good cause. Following are some starter strategies for maximising your Corporate Social Responsibility (CSR) commitment:

- Match employee donations – you may choose to match donations dollar for dollar, or make a one-off annual donation. Both have the potential to double the overall social impact and demonstrates your organisation's commitment and support of Vinnies.
- Forward our regular updates on the difference your employees have made to people experiencing disadvantage. The more employees on board, the greater their combined impact. Matching employee donations doubles that impact again. One employee has the power to keep a family in their home, but 200 employees have the power to provide an emergency accommodation facility and support services to keep hundreds of people off the streets.
- Maintain a visible relationship with the cause by participating in corporate volunteering and community fundraising initiatives such as City2Surf, Color Run, Vinnies Community Sleepout and other events. This is also a fabulous exercise in team-building and maintaining a healthy, robust organisational culture, and will build strong employee engagement throughout your organisation.
- Ensure your management team leads by example – ask your CEO, Managing Director or HR Director to communicate program outcomes and encourage them to attend the Vinnies CEO Sleepout, showing a personal commitment to the cause.
- Promote your partnership with Vinnies as widely as you like – we will happily provide you with a 'Proudly Supporting Vinnies' logo for use online and in annual reports, client proposals or other material.
- Offer branded email addresses to participating employees – a great way of demonstrating your CSR to clients and the general public.
- Keep abreast of the issue - we can provide you with updated information on the changing face of disadvantage and homelessness in Australia.

HOW TO IMPLEMENT A VINNIES WORK TO GIVE PROGRAM

STEP 1: SETUP

Please complete the attached application form and we will provide you with a unique Supporter Number. This Supporter Number can be used in the Reference Field for each donation transfer.

STEP 2: SPREAD THE WORD

Communicate with employees that you are initiating a Vinnies Work To Give program and provide information on how they can sign up – we suggest managing this through your payroll department and developing your own internal form that works best with existing workplace procedures. Making this a formal part of your employee induction procedure will help streamline the program in the long-term. We invite you to give employees the option for their details to be shared with Vinnies.

STEP 3: TRANSFER DONATIONS

Frequency: As nominated by you, this may be conducted weekly, fortnightly or monthly.

BANK NAME: National Australia Bank

ACCOUNT NAME: St Vincent de Paul Society (WA) Inc

ACCOUNT NUMBER: 48220 5841

BSB NUMBER: 086 006

BRANCH: 50 St Georges Terrace Perth

Description: Please include organisation name, supporter number (from Step 1) and “W2G” to help us identify and attribute the donation to you.

STEP 4: KEEP ENGAGED

Remember to keep employees updated on the Vinnies Work To Give program and the outcomes they have achieved. Make use of existing internal staff newsletters or updates from your CEO. You may designate a Vinnies Work To Give ‘champion’ from the leadership team and provide opportunities for staff to opt in to additional activities such as corporate volunteering and fundraising events.

STEP 5: SPREAD THE WORD

Your organisation has done a great thing by supporting Vinnies Work To Give program – feel free to tell everyone about it! We are happy to help you develop a newsletter piece or eDM to send to your clients and suppliers, spreading the word of your involvement. Don’t forget to make use of the Proudly Supporting logo and email signatures.

Importantly, please stay in touch. Our dedicated team are only too happy to help you prepare materials, forms, communication pieces or to workshop any ideas you have in maximising your Vinnies Work To Give program.

Together, we can make a real difference to the lives of thousands of Australians struggling to make ends meet.
