

HOMEWARES FOR THE HOMELESS

ORGANISE A DONATION DRIVE SCHOOL HOUSE COMPETITION

We are currently in need of donations for the Vinnies stores, particularly Homeware items! By donating your pre-loved homewares to Vinnies stores they will get a new life. The money earned by selling pre-loved homewares in our Vinnies stores will support Victorians doing it tough and reduce landfill and the impact on the environment.

How It Works

- 1 Set up a School Comp:** Each school house (team) are encouraged to gather as many homeware items as possible. Set a timeframe such as a week (like Homelessness week) and a designated drop-off location for each house. Make it a fun and engaging competition with rewards for the house that collects the most.
- 2 Gather Donations:** We are asking for schools to collect crockery, artwork, pottery, picture frames, candles, cookware, containers, and more. Use archive boxes for fragile items to ensure safe transport.
- 3 Donate to Vinnies:** Organise a drop off or pick up of your donations at your local Vinnies store. Ensure items are clean and in good condition.
